

Public & Municipal Services: Opportunities and Challenges

Town of Allegany Comprehensive
Plan Update

Please use sticky notes to identify challenges, assets and/or opportunities

Thinking about public and municipal services such as emergency services, water, sewer, stormwater / flooding, energy utilities, telecommunications, etc.:

- What public and municipal services would you like to see improved or expanded upon?
- Where are there issues with existing public and municipal services?

Legend

-  Electric Vehicle Charging Station
-  Cell Tower
-  Local Dams
-  Gas Station

Transportation Opportunities & Challenges

Town of Allegany Comprehensive
Plan Update

**Please use sticky notes to identify
challenges, assets and/or
opportunities**

- Where do you see major areas of concern? (ex: intersections, high vehicle speeds, car crashes)
- Where is infrastructure for biking/transit/ trails/ or alternative transportation options needed?
- Where is parking an issue? Where can parking be improved?
- Where can public transportation routes be added or improved?
